Tentipis from ProAdventure!

ProAdventure are pleased to announce they are now official UK stockists for Tentipi®!

Tentipi combines the ingenious design of the traditional Sami káta or Indian tee-pee with innovative and revolutionary design features, thereby creating tents that suit both modern outdoor pursuit lovers, organizations, event organizers and others who want to give people an experience they won't forget.

Tentipis are made for living comfortably outdoors - spacious and well-ventilated, there is even room for a fire inside! Used for family camping, bushcraft camps and schools, forest schools and outdoor centres they are beautifully made and designed, with sizes ranging from those for a backpacking couple through to families or large corporate events.

To find out how fantastic they are, why don't you make an appointment and we will put some up for you to inspect, or even hire you one for a few days! Call us on 01978 860605 for an appointment or to request a brochure.

Open Canoe Wilderness Trips!

The canoe is the craft that has been used by generations to travel across vast tracts of wilderness. Firstly, your guide will show you how to pack your boat, looking at trim and lashing styles, then we will be off - seeing amazing views, getting close to nature, and learning new skills. Upon landing you will see and learn new and different ways to set up camp, and to cook on an open fire. We will demonstrate methods of fire-lighting by friction, and you will, of course, get to try this art form for yourself! The course includes an overnight wild camp. We still have spaces available on 25th-26th July, at just £188pp.

Explore White Water Kayaking!

Our Explore White Water Kayaking course is one of our most popular two-day courses! Aimed at beginners and novices, it gives you the chance to learn all the basic of paddling on flat water before progressing to moving water to experience the adrenaline-pumping power of the river! We usually include sweep strokes, edging, low brace supports, low brace turns, hip flicking, high brace supports, river hazards, breaking in/out, ferry gliding, swimming in white water, route choice and equipment choice, and we supply all the equipment you'll need, including buoyancy aids, helmets and wetsuits for your comfort!

The next course is on 30th June and 1st July, and costs from just £188pp (various accommodation options available).
